

Public Notice Union Street Pump Station

The City of Lincoln, Illinois recently construction a new 7 MGD submersible combined sewer pump station, gravity sewer of various sizes, manholes, 8-inch and 16-inch diameter force main. Funding for this project was provided by a low interest loan form the Illinois Environmental Protection Agency's Water Pollution Control Loan Program (WPCLP). The WPCLP is funded by both state and federal sources. The \$4,060,397 loan has an interest rate of 1.5% and will be repaid over 20 years. The new construction will meet the recommended National Pollutant Discharge Elimination System (NPDES) Permit requirements. For more information contact the City of Lincoln.
